- All entry amounts include coin drop.
- Conflict Rule – PLAYERS MAY NOT PARTICIPATE IN MORE THAN ONE EVENT AT A TIME. Any player found to be in multiple events at the same time will be required to choose which event to compete. The secondary event will be forfeited from that point and no refund will be issued to the player that caused the conflict. If one event is a BYOP and one a draw, the BYOP will be dropped as the draw partner had no fault in the conflict and should not be forced to withdraw. There are no exceptions to this rule.
- All first place teams will NOT be required to participate in the Round Robins. Those teams will need to check-in by the designated times for the league finals. *Teams advancing from the round robins will not need to pay coin drop again.
- (+) In side events - ADL has the option to change formats, such as run single game loser brackets until the matches are “in the money”, with an entry of 33 teams or more. The format will be clearly announced once the entry number has been determined.
- To play in any of the league events, a player must have played the Spring 2017 season of ADL and have a minimum of 48 games played. Side events are open to any player that has participated in ADL in any of the past 3 seasons. ADL does reserve the right to adjust any player rating at its discretion.
- In the event of a “no show” partner in a blind draw – there can be NO replacement for that player. If “no show” is at the beginning of the tournament, player that is present will have the option of playing by themselves (skipping the “no show” player for each turn) or being reimbursed BOTH entry fees. After 1st match – there are no refunds.
